

60 Sweet Something Text Messages

For Husbands:

Telling your wife how special she is can really go a long way. The main thing to remember is that she is special and she must be made to feel special. You must be perfectly honest with your feelings and do not say 'I love you' if you do not mean it. A woman must be made to feel beautiful, special, wanted and loved. Send one of the following sixty sweet text messages to make her smile.

For Wives:

Telling your husband how special he is, is a boost to his fragile ego. Your honest praise will bolster him and you will be rewarded for it. You must be perfectly honest with your feelings and do not say 'I love you' if you do not mean it. A man must be made to feel valued, respected and is generally a sucker for praise. Send one of the following sixty sweet text messages to make him smile.
