What Men Know About Women

A comprehensive study
by Lionel Hartley, PhD

What others say about *What Men Know About Women*:
“Exhaustive research, keen perception, being a male (I think), in-depth study, personal experience, solid exegesis, comprehensive interviewing and plain common sense have been combined together in Dr Hartley’s landmark publication, *What Men Know About Women*.

Lionel Hartley, PhD is currently a research fellow for Dayspring Health Services, Professor Emeritis in lifestyle counselling for the SDB Emangelia Academy and the Director of Counselling at the Dayspring Clinic and the Listening Post Clinic. Dr Hartley is the author and illustrator of numerous publications, articles and audio-visuals, and a much sought-after counsellor, lecturer, public speaker and seminar presenter.”
